NRO

Number Resource Organization

Formed by the Regional Internet Registries to formalize their cooperative efforts, the NRO exists to protect the unallocated Number Resource pool, to promote and protect the bottom up policy development process, and to act as a focal point for Internet community input into the RIR system.

The screenshot shows the NRO website interface. At the top left is the NRO logo. A search bar on the right contains the number '62.109'. Below the navigation menu, the 'news and announcements' section lists several items, including a July 2004 update on the IANA program and a March 2004 update on the IANA summit. The 'what is the nro?' section explains the role of Regional Internet Registries (RIRs) in the global IP address space. The footer features logos for APNIC, ARIN, LACNIC, and Ripe NCC.
